SENATOR KENNEDY: Mr. President and fellow members, I move to adopt the committee amendments. On page 8 strike the sentence beginning with the . . . in line 7 and ending with a period in line 13. Line 23 after "city" insert "village or county", strike "the metropolitan class, primary class or any". Strike lines 24 and 25 and put in lines 26, strike the sentence. On page 9, line 3 strike "by the". Strike line 4. In line 5 strike "association". In line 22 after "city" insert "village or county". Strike "of the metropolitan class, primary". Strike lines 23 and 24. In line 25 strike "most recent Federal". Page 11, line 13 after "city" insert "village or county". Strike "the metropolitan class, primary". Strike lines 14 and 15. In line 16 strike "most recent Federal census". On page 12, line 3, after "city" insert "village or county". Strike "of the". Strike lines 4, 5 and 6. In line 7 strike "Federal census". What this would do would leave the cities that do have laws pertaining to this and set back to the privilege of the county or village that do not have laws covering this subject. So the amendments would be in general on that. If you have any specific questions, I'd be happy to answer them. Otherwise, I would ask for the adoption of the committee amendments.
